Allen Face and Company Equipment Rental Agreement (All values shown in U.S. Dollars)

Entirety

This "Equipment Rental Agreement" constitutes the entire agreement between the Lessee and Allen Face and Company, LLC (AF&C)

Rental Rates / Minimum Requirements

Equipment is rented at a rate of \$75 per day. The minimum rental period will be 7 days, and the minimum rental fee will be \$525 plus the appropriate overnight shipping charge (see **Shipping Fees** below), even if the unit is returned early.

Rental Period

The rental period will be calculated in consecutive calendar days starting with the date that the unit is received by the lessee and ending with the date that the unit is received back by AF&C. For example, the rental period for a unit received by the lessee on June 1 and received back by AF&C on June 9 would be 9 days (i.e. June 1,2,3,4,5,6,7,8, and 9).

NOTE: Rent is billed until unit is received in AF&C's possession. If you ship to us on a Friday and we receive Wednesday, you will be billed for Fri, Sat, Sun, Mon, Tues, and Wed (in addition to however long you previously had the unit)

Deposits - Invoices - Payments

A valid Visa, Mastercard, Discover, or American Express credit card number (with correct name and expiration date) and the minimum rental fee plus shipping will be charged to credit card prior to our shipment of any rental unit. Invoices for all outstanding rental charges to date will be mailed or emailed to lessee, either on the last day of the month, or on the day the unit is received back, whichever is sooner. Payment terms will be net on presentation.

Any balance which remains unpaid on the 15th of the month following the date of invoice will be charged to the aforementioned card.

Shipping Fees (in addition to time charges)

Per Rental (US): Actual Shipping Charges, TBD

Shipping Methods

UPS for next business day delivery before 10:30AM (3rd business day for non-US rentals). Units will be returned to AF&C at lessee's expense using any professional shipping service of lessee's choosing. On the day the return shipment is made, the lessee will notify AF&C by telephone (224)699-9000, fax (847)844-0325, or email (scott@allenface.com) of the shipment particulars.

Breakdowns - Interruption of Rental Period - Replacements

If the unit should fail to function properly for any reason, then the rental period shall be interrupted as soon as the lessee notifies AF&C of such failure, whereupon AF&C will immediately ship a replacement unit to the lessee for the fastest possible delivery at no charge. The rental period will not resume until the date that the replacement unit is received by the lessee.

AF&C's Limited Liability

AF&C will assume no liability whatsoever for any malfunction of the rented unit beyond that explicitly set forth herein. In the event that the rented unit fails to function, or yields inaccurate readings, lessee's sole remedy will be limited to the replacement provisions set forth above, regardless of any consequential damages suffered by the lessee or its clientele.

Valuation of Unit

The rented unit is permanently valued at its full retail price of \$12,995 (F-Meter) or \$8,995 (D-Meter).

Lessee's Responsibilities

Lessee shall employ due care and diligence in using the unit. Lessee shall read the instruction manual in its entirety and shall adhere strictly to all of the provisions set forth therein. Lessee shall be wholly responsible for any damage suffered by the unit beyond normal wear and tear, up to its valuation. Lessee shall be wholly responsible for loss or theft of the unit, at its valuation. Lessee shall be wholly responsible for any legal or other fees incurred by AF&C in securing any amounts owed to AF&C.
